VINIFICATION

Made from Chardonnay and Pinot Noir grapes from the best and coolest vineyards around Lake Garda.

Slow and soft crushing. First temperature-controlled fermentation keeping the grapes from each vineyard separate to preserve every variable. 35% of the must ferments and evolves in old 228-litre white oak casks for about eight months.

Very fine and discreet perlage produced with second fermentation in the bottle, completely satisfying even the most demanding palate.

AGEING

24 – 30 months following harvest

TASTING

BOUQUET: The bouquet is clear, fresh and essential.

Scents of red berries, redcurrant and raspberry, are accompanied by citrus notes.

PALATE: Elegantly harmonious, very savoury. Pervasive taste and structure, maintaining excellent fragrance and freshness.
