Product Picture

## Product Description

After a brief cold maceration of the grapes, fermentation takes place in steel vats at a controlled temperature, 15-18 days at 23°C.

Ageing on fine lees for a natural stabilization of the wine.

Color: ruby red with a purple edge
Nose: intense with light vegetal notes typical of the grape variety
Flavor: fresh and pleasantly soft, well balanced.

Pairings: pasta with grouper ragù, red tuna steak. Stewed lamb, goat cheese cream
