Product Picture	Tasting Notes and Pairing					
	<p>A fresh and wild bouquet on the nose, revealing sun-kissed citrus fruits, wild herbs from the Mediterranean maquis, and intriguing balsamic hints of berries and sea algae. On the palate, it is vibrant and refreshing, with a subtle bitter note that dances between the sweetness of Sardinian orange and a delicate saline accent reminiscent of sea breezes. The finish is long and expressive, marked by citrus peel and a surprising minerality that leaves the palate lifted and invigorated. Spinello Spritz is a liquid tribute to the wild and genuine nature of Sardinia: its name is inspired by two distinctive ingredients, spirulina, which gives the aperitif its unmistakable emerald hue, and sea buckthorn (olivello spinoso), which enhances its aromatic depth and character. Best enjoyed simply yet memorably—50 ml of Spinello Spritz with 50 ml of tonic water, served over plenty of ice—each sip is a refreshing dive into the coastal scents and essence of the island.</p>
