Tasting Notes and Wine Pairing

In the heart of the estate, half way up the hill that overlooks the Orcia River, on a ridge gently sloping towards the south you can find the Poggio al Vento vineyard. The name literally means "windy hill" and this aspect in conjunction with the very unique soil composition of the area produce the exceptional Brunello di Montalcino Riserva Poggio al Vento. The powerful yet elegant tannins delivered in the wines by this vineyard require a 4 year long aging in the traditional large oak barrels. After bottling the wine requires a further aging of 3 years before being presented to the market. Brunello di Montalcino Riserva Poggio al Vento is produced only in the best vintages and represents one of the highest expressions of pure Sangiovese to be found in Montalcino.

Bouquet:

Different olfactory notes, still fresh, with a perfect balance between the oak spices and the varietal fruits. The balsamic notes invite to a long olfactive analyses before the tasting.

Taste:

Well-based acidity, the powerful body envolopes mature tannins and reveals a rare and complex flavour. Thick and pleasant sensations rise from mid palate leading to an aftertaste of great harmony and elegance.
